

Paper Submission Instruction of SCIS&ISIS2016

0. Access <https://edas.info/newPaper.php?c=22004>

1. If you do not have an EDAS account, click “create a new account”.

2. If you have an EDAS account, login with your email address and password.

3. Choose one of tracks (i.e., general session (full papers), general session (short papers), organized session papers).

Register a paper for Joint 8th International Conference on Soft Computing and Advanced Intelligent Systems

Click on the name of the track to submit a paper; tracks without links are not accepting submissions at this time.

4-a **For general session (full papers)**: Input the title of paper, keywords, paper abstract, and choose a category (either “Oral” or “Poster”) and at most three topics from check boxes.

A screenshot of a web form for registering a paper. It features a progress bar at the top with two steps, '1' and '2'. Step 1 is active and labeled 'Register paper'. The form includes fields for 'Title of paper', 'Keywords, separated by semicolons', and a checkbox for 'Add yourself as author (you can add others later)'. A large text area is provided for the 'Paper abstract (between 10 and 1000 words)'. At the bottom, there is a 'Category' dropdown menu with options 'Oral' and 'Poster', and a list of checkboxes for topics: Biometrics, Brain Science, Cognitive Science, Complex Systems, Computational Intelligence, and Data Mining.

4-b **For general session (short papers):** Input the title of paper, keywords, paper abstract, and choose at most three topics from check boxes.

The screenshot shows a registration form with a progress bar at the top. Step 1, 'Register paper', is active. The form contains the following elements:

- Title of paper:** A text input field.
- Keywords, separated by semicolons:** A text input field.
- Add yourself as author (you can add others later):** A checked checkbox.
- Paper abstract (between 10 and 1000 words):** A large text area.
- Topic selection:** A list of checkboxes for various fields:
 - Artificial Intelligence
 - Bayesian Networks
 - Bioinformatics
 - Biometrics
 - Brain Science
 - Cognitive Science
 - Complex Systems
 - Computational Intelligence
 - Data Mining
 - Decision Making and Risk Management
 - Distributed Systems
 - Education and Training

4-c **For organized session papers:** Input the title of paper, keywords, paper abstract, and choose a category (either “Oral” or “Poster”) and one organized session.

The screenshot shows a registration form for an organized session. The form includes the following elements:

- Title of paper:** A text input field.
- Keywords, separated by semicolons:** A text input field.
- Add yourself as author (you can add others later):** A checked checkbox.
- Paper abstract (between 10 and 1000 words):** A large text area.
- Category:** A dropdown menu with options 'Oral' and 'Poster'. The 'Oral' option is selected.
- Organized Sessions:** A list of checkboxes for various sessions:
 - OS-1 (choose 0 to 1)
 - OS-2 (choose 0 to 1)
 - OS-3 (choose 0 to 1)
 - OS-4 (choose 0 to 1)
 - OS-5 (choose 0 to 1)
 - OS-6 (choose 0 to 1)
 - OS-7 (choose 0 to 1)
 - OS-8 (choose 0 to 1)
 - OS-9 (choose 0 to 1)
 - New Generation Computing Paradigm
 - Soft Computing in Urban and Transport Pla
 - Rough Sets, Granular Computing and Their
 - Intelligent Systems Based on Bio-signal Pro
 - Decoding and Control of Biological System
 - Brain Computing and Embodies Knowledge
 - Interval/Fuzzy Models for Multiple Criteria D

5. Upload your paper from **Review manuscript** link .

Notice: **Only a PDF file will be accepted** for the review process. **All fonts should be embedded** in the PDF file.
